Preschool News

We have been busy learning all about the farm. We have had extensive discussion about:

- Who lives there...
- What equipment is used...
- What foods come from the farm...

We also made farm puppets and a barn yard lotto game that we played together. In this game, each child chose their favorite farm animal and what they would do if they were that animal.

Our tot friends had a great summer. They really enjoyed our camping and beach weeks this past month. We had a visit from Clayton's Papa who taught us the "Campfire Song". We hope to have him return to sing us the "Fire Truck" song soon!
